I am in the hope that we get some visitors of old on this website too, people who used to train at Shinto Judo Club & at the rollingmills, Id really like some of them to get in touch,

Some of you may know that Alf Letherdale Sensei just celebrated his 80th Birthday and had a nice sit down meal with some of the old school namely Ian Izzard, Johnny Dukes, Jim Mills & Peter Teal among many others.

What also would be nice is to maybe organise a bigger event soon, with as many old members turning up, please register here and get in touch via this forum or email me at stephen@stephenmills.co.uk

If you know of any old Shinto or rollingmill members, let them know to get in touch,

many thanks in advance

Stephen Mills
